

EDGE

PRE-APPRENTICESHIP

Early Development and Guided Education

We are excited to introduce Apprentice E.D.G.E., our new program designed to give you early **VIRTUAL** access to our curriculum and a head start on your apprenticeship journey. **At no cost to you!**

PROGRAM HIGHLIGHTS:

- **Virtual Learning:**
 - Access course material and complete assignments online.
- **Opportunity for Reinforcement:**
 - Retake classes if needed to solidify your understanding and boost your confidence.
- **Competitive Admission:**
 - Successful completion of EDGE courses can help you meet apprenticeship requirements and be exempt from in-person classes as an apprentice.

WHO CAN APPLY*:

- High School juniors and seniors
- High School graduates / College students & graduates
- Those who have applied to The Apprentice School
- NNS employees
- Current apprentices (before WCSC classes begin)

You must also meet the qualifications listed in the right column. Qualifying does not guarantee admission, which is based on several factors, including timeliness of receiving your documents and the volume of applications we receive.

SELECTION PROCESS:

- Express your interest by the application deadline for a chance to gain a competitive **edge** and be well-prepared for your future apprenticeship.
- *To apply, you must:*
 - Hold a GPA of 2.0 or higher, with grades of C or better in math and science
 - Have completed Algebra 1, Geometry, and Algebra 2
 - Demonstrate competence in reading and writing
 - Submit your official transcripts and application by the deadline
 - If under 18, provide written consent from a parent or guardian
